

The Planning Center Wins Award For Dream Builder® Software Program

Tucson, AZ.
October 30, 2008

The Planning Center has won the 2008 State Planning Award by the American Planning Association's Arizona Chapter in the Open category, for its Dream Builder® Jurisdiction software.

Dream Builder®, developed by The Planning Center, is a planning software program that advises planners while determining if a building permit meets architectural design standards. Dream Builder® can incorporate the design standards of any jurisdiction, and allows more permits to be reviewed in less time.

Each year the American Planning Association (APA), through its chapters, recognizes the outstanding achievements of organizations and individuals that contribute to the advancement of the planning industry.

Established in 1975, The Planning Center is a private consulting firm that provides a variety of multidisciplinary planning services — including planning, entitlements and landscape architecture. For more information call (520) 623-6146 or visit www.azplanningcenter.com.
