

Ellen Barth Alster Earns LEED AP Certification

Tucson, AZ.
March 17, 2009

Ellen Barth Alster, RLA, has earned a LEED Professional Accreditation. LEED accredited professionals are trained to ensure project sustainability through expertise in five areas of human and environmental health: sustainable site development, water savings, energy efficiency, materials selection and indoor environmental quality.

Alster is a landscape architect and project manager at The Planning Center. She has nearly 25 years of landscape architecture experience and has practiced in Arizona, Louisiana, Michigan and the Eastern United States.

Alster holds a master's degree in landscape architecture from the Harvard University Graduate School of Design and a bachelor's degree in landscape architecture from Michigan State University.

Established in 1975, The Planning Center is a private consulting firm that provides a variety of multidisciplinary planning services including planning, economic market analysis, geospatial services and landscape architecture.
