Client	Location	Area	Date	Services
Pascua Yaqui Tribe	Pascua Yaqui Pueblo, Arizona	1,150 Acres	2006	General Planning Developing Standards/Guidelines Zoning Ordinance & Regulations GIS Services

Designed to be a livable and sustainable community, the Pascua Yaqui Pueblo merges Pascua Yaqui heritage and culture with the natural and built environments to create an integrated mixed-use community designed to support the economic viability of the Pascua Yaqui Tribe. The natural environment includes environmentally sensitive lands such as Black Wash and the Cactus Reserve zone. The community includes government, residential, school, cultural, commercial, casino and gaming, resort and hotel, golf course, and open space uses linked by an integrated system of nature trails.
